JOIN AMERICORPS!

Walk N Roll Education & Outreach Assistant

Intercity Transit's Walk N Roll program collaborates with schools and community partners to offer educational programming that encourages the use of walking, biking, and using public transit for transportation. We seek an AmeriCorps Member to teach youth and families about environmentally friendly transportation options through a variety of hands-on education and outreach activities. Activities teach participants skills in bike and pedestrian safety, bike mechanics, and how to ride public transit. The Member will help participants learn life-long skills to prepare them for the possibility of choosing a car-free future.

YOU WILL:

- Build life-long skills in youth
- Teach environmental stewardship
- Encourage active transportation
- Promote public transit
- Give presentations
- Engage volunteers
- Ride bikes with youth
- Learn bike mechanic skills
- Gain marketable skills
